

NATURE BLITZ

Field Studies and Exploration at Calaveras Big Trees State Park

June 3, 2017

Here is your chance to immerse yourself in the Natural History of the Sierra Nevada at Calaveras Big Trees State Park.

Join Doc Nancy for a day of in-depth nature exploration. In addition to topic presentation, walks and demonstrations, attendees will learn interpretive techniques as well. All walks are classed as "easy," with the longest a 1.5 mile stroll around the North Grove.

This program is free to all interested persons and is sponsored by CBTA. RSVP with CBTA (795-1196) if you can *or* just show up. Persons can come to any or all parts of the Nature Blitz.

Join Fulbright Scholar and retired NPS Park Ranger

Nancy Muleady-Mecham, Ph.D.

for this unique opportunity to learn so much about this very special place.

Date: Saturday June 3
Location: Calaveras Big Trees State Park
Participants: Age range of participants: **13 and older**
Cost: *FREE*
